SALARY RANGES: \$5433 - \$6991 per month.

IDENTIFICATION REQUIREMENT: Accepted applicants are required to bring either a photo identification card or two forms of signed identification to each phase of the examination.

POSITION DESCRIPTION: The Nurse Consultant II, under general direction, provides complex nursing and program consultation and technical assistance to public and private agencies on the provision of health services; plans, develops, administers, organizes, monitors, and evaluates programs and studies on the delivery of health services; may also serve in a lead capacity to Nurse Consultants and other health-related multidisciplinary staff; develops and evaluates program standards, policies, and procedures; and does other related work.

Positions exist with the Department of Health Care Services in Sacramento, the Bay Area, and Los Angeles.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION: It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.

NOTE: Applications/resumes **must** include "to" and "from" dates (month/day/year), time base, civil service class title(s), and range (if applicable) for all work experience. College course information **must** include title, number of semester or quarter units, name of institution, completion dates, and degree (if applicable).

Applications/resumes received without this information will be rejected.

MINIMUM QUALIFICATIONS: Qualifying experience may be combined on a proportionate basis if the following requirements include more than one pattern and are distinguished as Either I, or II, or III, etc.

Possession of an active valid license as a registered nurse in California. (Applicants who do not meet this requirement will be admitted to the examination, but they must secure the required license before they will be considered eligible for appointment.) **And**

A baccalaureate or higher degree in nursing from a school of nursing approved by the National League for Nursing (NLN) or its equivalent for foreign graduates. Applicants who received a baccalaureate degree in a health-related field prior to 1990 and possess a California State Public Health Nurse Certificate may substitute for the baccalaureate in nursing (BSN). Thereafter, the baccalaureate or higher degree must be in nursing from a school of nursing accredited by the NLN or its equivalent for foreign graduates. **And**

Possession of a master's degree in a health-related field such as: nursing, public health, health care services, health care administration, or hospital administration. All degrees must be from an accredited institution approved by the Council for Private Postsecondary and Vocational Education under the provisions of California Education Code, Chapter 3, Part 59, and Division 10. **And**

Either I

Two years of experience performing the duties of a Nurse Consultant I in the California state service.

Or II

Four years of professional registered nursing experience at least two years of which shall have been in an administrative, consultative, teaching, or supervisory capacity. (One additional year of graduate work in group dynamics, interpersonal relations, or other courses relating to the consultative process in nursing, may be substituted for one year of the required general nursing experience.)

NOTE: If qualifying **under Pattern II**, applications/resumes must include a detailed description of duties serving in position(s) in an administrative, consultative, teaching, or supervisory capacity in your professional registered nursing experience. Any additional attached pages must be signed and dated by applicant certifying statements made are true and complete. Applications/resumes received without this information could be rejected.

DESIRABLE QUALIFICATIONS: Professional-nursing experience in a local health department or other community health agency.

GENERAL QUALIFICATIONS: In addition to the scope defined on this announcement, candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, ability to work cooperatively with others, and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

EXAMINATION INFORMATION: The examination will consist of a qualification appraisal panel interview that is weighted 100%. The interview will include a number of predetermined job-related questions. Competitors who do not appear for the interview will be disqualified and eliminated from the examination process. If a candidate's notice of interview fails to reach him/her before the scheduled interview date due to a verified postal error, he/she will be rescheduled upon written request.

The Department of Health Care Services reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination was planned change. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

INTERVIEW SCOPE: In addition to evaluating the candidate's relative abilities as demonstrated by quality and breadth of experience, emphasis will be placed on measuring, relative to job demands, each competitor's:

Knowledge of:

1. Principles, techniques, methods and procedures of current nursing practice.
2. Epidemiology and methods of health promotion and disease prevention concepts and methods of control of communicable diseases.
3. Current philosophies and patterns of nursing education.

5. Group process and problem solving.
6. Research principles and methodology.
7. Roles, responsibilities, and interrelationships of various health disciplines and health agencies.
8. Functions of social and health agencies.
9. Cultural and sociological patterns as they affect health services.
10. State and federal legislation related to health services.
11. The administration and organization and trends in health care delivery systems.
12. Techniques of program planning, development, monitoring, and evaluation.

Ability to:

1. Effectively provide consultation and technical assistance.
2. Establish and maintain the confidence and cooperation of those personnel within the department and in other social and health agencies.
3. Analyze situations accurately and take effective action.
4. Be flexible in approach to the solution of problems.
5. Communicate effectively.
6. Prepare reports and written documents.
7. Apply principles of administration of nursing and health care services in various administrative patterns.
8. Assist administrators to plan with others in meeting community health needs.

ELIGIBLE LIST INFORMATION: Possession of the entrance requirements does not assure a place on the eligible list. In order to obtain a position on the eligible list, a minimum of 70% must be attained. Names of successful competitors are merged into the open list established for use by the Department of Health Care Services in order of final scores

regardless of testing date. Eligibility expires 18 months after it is established unless the needs of the service and conditions of the list warrant a change in this period.

Eligible Lists established by competitive examination, regardless of date, must be used in the following order: 1) sub-divisional promotional, 2) departmental promotional, 3) multi-departmental promotional, 4) service-wide promotional, 5) departmental open, and 6) open. When there are two lists of the same kind, the older must be used first.

VETERANS PREFERENCE: Veterans preference credits will not be granted in this examination since it does not qualify as an entrance examination.
